

Ewelina Rekos, Bristol Branch

It was a fantastic atmosphere, great company and an uplifting spiritual weekend! When I arrived, I was welcomed like we saw each other yesterday, not two years ago. It is great to see familiar faces and even better to meet new sisters. We are one big family in Christ. This was my third Ladies Conference and, yes, I'm looking forward to the 4th one! The amount of gifts we got during the conference (I don't mean the gift bags with goodies in, which were great!) were incredible. It was just a fantastic time of bonding with people as we got to know each other better. There were great workshops and activities from Magali, Heike and Liz. I also loved Fraser's poem and listening to Matt singing and sharing his testimony.
